I think you should know this
Yeah
Yo
I'm trying to tell you right
I know you got a man but
I'm just tryna say
I guess I'm trying to say is I'm just tempted to be with
you

[Verse 1:]

Now baby girl
Let me explain to you
Dont you walk away baby, I just wanna get next to you
Just wanna get next to you
I be that your man can't do for you what I can do for
you
And if we get the change then
Maybe I could show you

[Hook:]

Look I know that
You're his girl
But I can't help that I'm feeling you
But it's just this one think you should know

[Chorus:]

I'm tempted to touch you
I'm tempted to kiss you
I'm tempted to sex you
I'm tempted to love you (what)
Look I know you got a man
But I'm still
I'm tempted to touch you
I'm tempted to kiss you
I aint trying to take you from your man
But I'm
Tempted
Tempted

[Verse 2:]

I'm not trying to run a game on you
Just want to make a fantasy come reality

You need to realize
That I'm the one for you
And if we get the change girl
maybe
I'm going to prove to you

[Hook:]

Look I know that
You're his girl
But I can't help that I'm feeling you
But it's just this one think you should know

[Chorus:]

I'm tempted to touch you

I'm tempted to kiss you
I'm tempted to sex you
I'm tempted to love you (what)
Look I know you got a man
But I'm still
I'm tempted to touch you
I'm tempted to kiss you
I aint trying to take you from your man
But I'm
Tempted
Tempted

[Talking:]

Yeah
You so fine
I'm just trippin like
I'm just saying

[Hook:]

Look I know that
You're his girl
But I can't help that I'm feeling you
But it's just this one think you should know

[Chorus:]

I'm tempted to touch you
I'm tempted to kiss you
I'm tempted to sex you
I'm tempted to love you (what)
Look I know you got a man
But I'm still
I'm tempted to touch you
I'm tempted to kiss you
I aint trying to take you from your man
But I'm
Tempted
Tempted
