[Verse 1:]

Baby look, I'm tied up tryin'  
To convince you that I aint caught up lyin'  
When she walked past me I looked, so what, big deal  
I don't understand how that can make you feel  
That my love ain't for real

Every day I thank the lord above that you're with me  
Tell me why would I throw that away  
What can I do to prove, that this is where I wanna be  
So I may look occasionally  
You're the only one I need

[Chorus:]

If I wanted (that girl)  
Then I would be with (that girl)  
But that one ain't for me  
She's fine as hell  
But she'll always be (that girl)  
Nothin' more than (that girl)  
No matter what she do  
She don't' compare to you

[Verse 2:]

What you yellin' for, why you screamin'  
Girl you act as if you just caught me cheatin'  
When you look at other men, and don't act like you  
don't  
I don't' trip because I know that I'm the guy  
That you come home to every night

Every day I thank the lord above that you're with me  
Tell me why would I throw that away  
What can I do to prove, that this is where I wanna be  
So I may look occasionally  
You're the only one I need

[Chorus:]

If I wanted (that girl)  
Then I would be with (that girl)  
But that one ain't for me  
She's fine as hell

But she'll always be (that girl)  
Nothin' more than (that girl)  
No matter what she do  
She don't' compare to you

[Rap:]

I must admit it  
Sometimes im weak  
You don't wanna hear the truth  
Don't ask me to speak  
Understand  
Im not the type to cheat  
Im not a dog on the real  
Sometimes yeah I feel the heat  
But im a son of god  
So I can show dat  
You know dat  
You can write it down  
Take a picture with Kodak  
You and me more than a physical thing  
You da queen im the lord of da ring  
Meaning that im tryin  
Say, what we got can never be broken  
I know these fans are women  
They be wishin and hopein  
Tryin to blow my spot up  
Like they Bin Laden  
You can tell them now  
Girl it will never happen  
I know they checkin for a brotha  
Cuz he rappin  
When he hit the club  
All the owners show him dap and  
Signin autographs and such  
But you don't see him when  
Them girls press up  
He be like do not touch  
OK

[Verse 3:]

I know I need you right here with me  
Your why, know I need you  
No other girl will do, 'cuz I need you  
Right here with me, know I need you

[Chorus:]

Then I would be with (that girl)  
But that one ain't for me (hey)  
She's fine as hell  
But she'll always be (that girl)  
And nothin' more than (that girl)

No matter what she do  
She don't' compare to you

[Chorus:]  
All I'm sayin' if I wanted (that girl)  
Then I would be with (that girl)  
But that one ain't for me  
She's fine as hell  
But she'll always be (that girl)  
Nothin' more than (that girl)  
No matter what she do  
She don't' compare to you

[Chorus:]  
If I wanted (that girl)  
Then I would be with (that girl)  
But that one ain't for me  
She's fine as hell  
But she'll always be (that girl)  
Nothin' more than (that girl)  
No matter what she do  
She just can't be you, baby
