50 Grand lets get this in one take
Welcome ladies and gentlemen it's ya boi MH y'all
And ya boi Young Rome
But I guess y'all already know dat
I'm back on a track with my nigga T Scott
I see ya Scott
You know how we get down, yo, y'all check dis out

We got some ladies in here shaking like they dancing
for money
A couple of them looking like play boy bunny
The way you taking it to the ground it ain't funny
Mami come here and let me see ya strip fro me

Ya players in here don't cha act funny
Get your freak on, nigga grab you a little hunny
Lick on my body you can call me the ice Mami
I came here to find me a body

Ya body's killin' me, I'm feeling the energy
You sending me Emily
My love is strong like there's 10 of me
Got me stutterin' my speech slur

Taking my time to get all my words
Shawty bring your homie Veronica for Marques
She know we partners we can slow dance in the
darkness
Baby never leave me, it's good to receive me
Believe me I'm off the heezy when I need be

Hey little Mami what cha doin' tonight
Me and my peeps we gone get rocked tonight
Come get in my drop top
First we was like whoa now we like whoa

Hey little Mami what cha doin' tonight
Me and my peeps we gone get rocked tonight
So get in my drop top
I got cha like whoa and you got me like whoa

It's hot in here I think they need a diaper
They all on my dick now that I fuck with Pipe Piper
Remember I told you we get those girls hyper
Now move girl like your ass is on fire

Shack your body, body, move your body, body
In this party don't hurt nobody, body
The way you move it ridiculous, I'm think 'bout sticking
it
Come on baby girl and get with this

Hey little Mami what cha doin' tonight
Me and my peeps we gone get rocked tonight
Come get in my drop top
First we was like whoa now we like whoa

Hey little Mami what cha doin' tonight
Me and my peeps we gone get rocked tonight
So get in my drop top
I got cha like whoa and you got me like whoa

We creep the streets let's meet at the teller
Shake your booty ma is that really skin or jelly
Turn around let me see that diamond pierce in your
belly
