Oh, baby, baby
Trouble burning up my mind
She's a spot in the shade
Thirsty for her all the time
She's my cold lemonade

Hey, if there was a way that I could put it
Make it so that you could understand
That I'm only half a man without her, oh no
Gonna give my all, my heart, my mind, my soul, take it
Ain't no other word that can describe it

Baby, baby, you are
(Wonderful)
Your style, your vibe, your body
(Amazing)

Oh, just gotta tell somebody
(Wonderful)
Hey, to put it simply, you are
(Everything)
Everything, babe

You're so wonderful
Music to my melody
You are where I belong, yeah
Girl, together, you and me maybe
We're a beautiful song, oh

If there was a way that I could put it
Make it so that you could understand
That I'm only half a man without her, yeah
Gonna give my all, my heart, my mind, my soul, take it
Ain't no other word that can describe it

Baby, baby, you are
(Wonderful)
Ooh, your style, your vibe, your body
(Amazing)

Oh, just gotta tell somebody
(Wonderful)

Hey, to put it simply, you are
(Everything)
Everything, yeah

You're so wonderful
Baby, let's meet up on the moon
Let's watch the stars get jealous of your shine, hey, hey
Nothing better for me, baby

Girl, everything is too wonderful
(Wonderful)
Baby
(Amazing)

So amazing, baby
(Wonderful)
Hey, to put it simply, girl, you are
(Everything)

Everything, girl
You're so wonderful

(Wonderful)
Oh baby
(Amazing)
You are so amazing

Wonderful
Everything
You're so wonderful
