Your Symphony
Lyrics written by Silvia & Marque
Music written by Marque

Lady won't you play me your symphony?
Be the melody I need to sing
Beat me [Hate me but care for me](#)
You'll ease my pain

Chorus:
We are lonely, lonely friends
And we know
We believed that there's no end
But we go

We are lonely, lonely friends
And we see
Our picture is falling out of frame

Hate me [break me](#)
Time to leave
We can't spend more moments on our own
Rainy [dreadful, no harmony](#)
One day you will find out I'm gone

Did your mouth tell me the truth?
When your heart was not in use
To be my home

Chorus:
We are lonely, lonely friends
And we know
We believed that there's no end

We are lonely, lonely friends
And we see
That our picture [!](#)

And you brightened up my day
Now I try to keep away
You better leave me here alone

Lady won't you play me your symphony?
Be the melody I need to sing
Beat me ã#128# #147# Hate me but care for me
