Five more minutes then I go on another floor
Me puedes prometer que no me olvidarás
Seem away how you fit my heart
That I can't feel you before I've start

To see in the spotlight and I miss you and not Tokio
And if I was younger I would cry
I seek for a good life but I think of you and not
California
And if I was younger I would cry
But tears are running dry

Te hecho de menos mi corazon donde estas
You are on my mind like never before
Mi vida esta completamente
Si tu regresaras cuanto han que es

To see in the spotlight and I miss you and not Tokio
And if I was younger I would cry
I seek for a good life but I think of you and not
California
And if I was younger I would cry
But tears are running dry

I don't know how you do
How you can
How you're there
You're obsessing my head
I don't know where you are
It's too far
Anyway you're obsessing my day
And I wish you were here, I wish you were here, I wish
you were here
I don't know how you do
How you can
How you're there
You're obsessing my head

To see in the spotlight and I miss you and not Tokio
And if I was younger I would cry
I seek for a good life but I think of you and not
California

And if I was younger I would cry
