Nothin' really makes sense
The azure in the sky
Never had it on my wish list
It caught me by surprise
All we needed was a river to follow
And fall in
Lay down Athena
In your sea of wine
Lay down Athena
Lay down tonight
And fall
Looking through the wrong lens
With shadows in my eyes
You were hiding in the open
Standing by my side
All we needed was a river to follow
And dance in
Lay down Athena
In your sea of wine
Lay down Athena
Lay down lay down
Crimson river we follow
(we collide, we collide)
We'll be safe in tomorrow
(we glide, we rise, we rise)
Lay down Athena
In your sea of wine
Lay down Athena
Lay down tonight and fall
