It's raining out again
You look so close to me
I'm holding out my hands
The world is out
The world is out of reach

Here come the boys, boys
Making such a crazy noise
To drown my faltering voice

Here come the boys, boys
By the wall, they're falling in line
To stand against time

And I'm washed overboard, so weary
Stay overnight with me
And I'm washed overboard, so weary
So weary, I could neither cry nor shout
Neither cry nor shout

Here come the boys, boys
Making such a crazy noise
To drown my faltering voice

Here come the boys, boys
Wipe out the mark, boys
Break down the wall, man

And I'm washed overboard, so lonely
Stay overnight with me
And I'm washed overboard, so lonely
So lonely, I could wish to die

And I'm washed overboard, so lonely
Stay overnight with me
And I'm washed overboard, so weary
So weary I could neither cry nor shout
Neither cry nor shout

Oh, cry and shout
Don't set me free

Oh, cry and shout
Don't set me free

It's raining out again
You look so close to me
I'm holding out my hands
The world is out of reach

Don't set me free
Don't keep me waiting
Don't set me free
Distract me please
'Cause I love you so
Oh, I love you so

Make me forget
That it's I
Who imprisoned myself
Make me forget
