I got your message couldn't call you back
I was busy gettin' you off my mind
I saw your girlfriend
I think she thinks I want you back
God you surely take your time
I don't wanna be in your fantasy
I wish you'd move to China or the moon
Positive
Capital P
Positive
You don't belong to me
I'm kinda scattered like the pieces of a puzzle
But our pieces never seem to fit
And I talk to the mirror looking deep into my eyes
But I only see this
I don't want to be in your diary
I didn't mean it when I wished you away
Positive
Capital P
Positive
You were meant to be
You're the reason the stars always shine and
I believed you when you said you'd always always be
mine
I heard a rumor that you still talk about me makes
Me wanna cry and I like your girlfriend she could
Almost be my sister damn I wanna die
Don't wanna be in your fantasy
I wish you'd move to China or the moon
Positive
Capital P
Positive
You were meant for be
Positive
Ooh eee
