They set up shapes right in front of me  
But I killed the actor of this silent movie  
They asked some question about my balance  
The rope dancer learned the means to use his sense

Smiles, I'm not nervous  
Smiles, we could be lover  
Now I could, oooh

They reall liked to picture the reptile  
Tearing it's muscles, and I commit this crime  
My fingers were so thing, my skin was too tight  
But now I unsew my scars and give you the light

Smiles, I don't even bleed  
Smiles, when I touch reality  
Smiles, no more lies  
Smiles, no more cries  
Now I could, oooh

Oooh, tchave dao oa  
I crawl, my mouth wide open  
I crawl, I swallow the outside  
I eat and I produce this way

Smiles, I'm not nervous  
Smiles, we could be lovers

My desire enslaves unexpected events  
My desire enslaves, tell me who's surprised  
But who will protect me from my conviction  
When I draw my dreams on your face

Smiles, smiles, no more les  
Smiles, smiles, no more cries

Oooh, tchave dao oa  
I crawl, my mouth wide open  
I crawl, I swallow the outside  
I eat and I produce this way

Smiles, I'm not nervous

Smiles, I'm not angry  
Smiles, we are lovers  
Smiles, watch out now  
I'm hungry
