The danger spreads over there
That's what they said
Heart rending sounds everywhere
But for the present

We're working under shelter
We'll go out soon
And we'll knock your heads
Against the walls

Spasmodie starts of modern death
Art is a means to set your breath
Kunst is a weapon of fight
We'll catch you by surprised
And knock your heads
Against the walls

Our future is a Munch's picture
A shriek inside of savage nature
Inherit Baader's property
The plague is seeping into the city

We're working under shelter
We'll go out soon and
Knock your heads
Against the walls

We'll steep our hands in your blood
We'll paint our world red with your blood
We'll paint our masks red with your blood
And that is that is a Neukunst Music

We'll knock your heads
Against the walls
We'll knock your heads
