Nothing's missing but
Something's wrong
So we kick it around like a bad day
I was thinking
No that moment's gone
Oh by the way
Who's leaving who?
Who's leaving who?
If I'm leaving you and you insist that's true
Who's the bigger fool?
I took your picture
But I left the frame
'Cause you never know when you might need it
So you can tell your stupid friends
That I'm the one to blame again
Maybe they'll start to believe it
Who's leaving who?
Who's leaving who?
If I'm leaving you and you insist that's true
Who's a fool?
You say my eyes are too blue
I used to listen to you
Somethings I know got rearranged
Let me out of these sugar chains
Who's leaving who? tell me tell me tell me
Who's leaving who? cuz I'm confused
If I'm leaving you and you insist that's true
I'm the biggest fool
