You didn't kiss me how can I fall asleep?
I know you're there, but don't pick up cause I'll say
everything
I know you don't care, you made that clear enough as I
was leaving
I took your favorite overcoat, just wanted to return it
I know it's late, you're probably out, that's what you
wanted anyway
I know how you hate it when I get too loud, but John you
know I'm crazy
I'm wrapped around your favorite overcoat, don't think
I can return it
You didn't kiss me
How can I fall asleep?
You didn't wish me very well
To say the least
Do you miss me?
If you said so should I believe you?
You didn't kiss me..
Hate your laugh, hate your lies, hate the chance I took
on you
Hate the past in your eyes, hate the war you put me
through
Hate myself for believing this could come to anything
at all
I'm wrapped around your favorite overcoat
Don't think I can return it
How can I fall asleep?
You didn't wish me very well
To say the least
Do you miss me?
If you said so should I believe you?
You didn't kiss me
