"Beneath The Skin"

On the edge I look in
Touch the flesh, touch the skin
Cup my hands, time stood still
Intoxicate fire at will
Pulsating through my veins
Beneath the skin, skin and bone
Beneath the skin I am alone
Beneath the skin, skin and bone
Beneath the skin I am alone
Smoldering release, expire
Confined within, I walk the wire
On the ledge, no return
Saturate, melt and burn
Rising from the flames
Beneath the skin, skin and bone
Beneath the skin I am alone
Beneath the skin, skin and bone
Beneath the skin I am alone
Feel me, steal me, inside out
Deep inside me, inside out
Heal me, deal me, inside out
Feel me, steal me, inside out
Beneath the skin, skin and bone
Beneath the skin, I am alone
Beneath the skin, skin and bone
Beneath the skin, I am alone
