[Verse 1:]

Mary Jane
She's my best friend
She's always been good to me
She come and take all my troubles away (yeah)
And she don't stray too far from the west end
She's always been close to me
When she's around I just drift away

[Chorus:]

High grade
High grade
Is the type of love that she give to me
High grade high grade
Me need har each and every day
High grade high grade
Come check me today
I need the
High grade
High grade
Yeah you know

[Verse 2:]

Mary Jane
That's my best friend
She's always been good to me
Come and take all my troubles away
And some people say I learn my lesson
She's not bright, she's no good for me
But please don't take my Mary Jane away
Cause she's the

[Chorus:]

High grade
High grade
Is the type of love that she give to me
High grade high grade
Me need har each and every day
High grade high grade
Come check me today
Mary Jane

High grade
High grade
Yeah you know

[Verse 3:]
Ooh oh oh oh yeah
She a mi first love
Oh oh oh yeah
She neva leave me lonely
Ooh oh oh oh yeah
She a mi first love
Oh oh oh yeah

[Chorus:]
High grade
High grade
Is the kind of love that she give to me
High grade high grade
Me need har each and every day
High grade high grade
Come check me today
I need the
High grade
High grade
