Yeah yeah! Yuh know!
Collie Buddz longside Roache!
Wha me say?

Wha girl where ya been to, ain't seen you since 92,
You still the best though,
That was back in the day
When you used to get the girl's number off the (?)
Back then, back when you used to ride from Somerset
Pon your bike to St. George den back again.
All for some gyal that look nice came off the cruise
Ship docked in Hamilton last night.

I have been searchin for a woman like you, high and
low.
The type of girl who come around and make my
emotion show.
Who would have known, you were still right here?
Your beauty baby makes my heart start to care.

'Member when me deh pon de dock,
And listen cassette of Kilimanjaro live
Till about tree o'clock.
And ya modda call the police, she worried
If she only knew you was here safe wit me well.
We had some good times girl,
Why don't we pick up where we left off,
Get in the cyar and let we get off.
Yo me ready fi bus dis set off,
And then just take it off girl, yo.

I have been searchin for a woman like you, high and
low.
The type of girl who come around and make my
emotion show.
Who would have known, you were still right here?
Your beauty baby makes my heart start to care.

Eh me girl let me beg you one dance, one drink,
Back on the block, back of me yard, gyal, wha you
think?

If you feel same me and you could link,
Me Suzuki me root it to the (?)
Ah girl pah you look sweet, your style means
everything looks neat,
One thing dat make your life complete, Bermuda man
dem know (?)

I have been searchin for a woman like you, high and
low.
The type of girl who come around and make my
emotion show.
Who would have known, you were still right here?
Your beauty baby makes my heart start to care.
