It's strange how tings change everybody need a likkle

Das like me favourite casset stop playin me a press

So cancel all di plan weh u hav girl me gon lock up ur

All di stress di pain di bad memories we gon leave it all
behin

An we gon kick it back to the first night di first time to di
first wine
Come here likkle girl let me hold u tite n hol me tite an
mek love tonight
An we gon kick it back to the first night di first time to di
new wine
Come here likkle girl let me hold u tite n hol me tite an

Girl u been on mi mind from the very first time dat I

An we gon kick it back to the first night di first time to di

Come here likkle girl let me hold u tite n hol me tite an
mek love tonight
