"Youts Today"

Visit "[Youts Today](#)" on MotoLyrics.com

What's wrong with the youts today
Some just skill them nah prey
And a soon them a fade away
Love ina di heart that's what we need
Don't get mixed up with di greed yeah oh yay

What's wrong with the youts today
Some just skill thema prey
And a soon them a fade away-ay
Love ina di heart that's what we need
Don't get mixed up with di greed yeah oh yay

Some o dem are needing
Some o dem are she dem
Some will flesh di flock

Some o dem will keep da splif
Keep a nuff o dem bo a de frock
Some o dem a match di fire se rock

Stop se da stock on di rock
Man fi call dem dreadlock
Almighty jah da boy can't mock

Stop se da stock on di rock
Man fi call dem dreadlock
Almighty jah da boy can't mock
Well

What's wrong with the youts today
Some just skill thema prey
And a soon them a fade away
Love ina di heart that's what we need
Don't get mixed up with di greed yeah oh yay

What's wrong with the youts today
Some just skill thema prey
And a soon them a fade away
Love ina di heart that's what we need
Don't get mixed up with di greed yeah oh yay

It ago rain fire
It ago rain brick stone
It ago blaze higher
It ago bun dun Rome
It ago mash up to di hearts in all the evil around
It ago bun satan and make the popal throne, yo
Hallelujah ti all group to the wat they run the system
I bet you can't give up yo
If one man can make it then why can't you
I beg the far di what u say-ay

Me wonder where di ma defend
Have me a problem we a mix we tea den
Well den me da try wid di friend
What dey a fight gainst the king
Me no sorry fi dem den
Me se fi me wonder
Why we make youts di friend
Wen di sm, ile like di friend
Wen we se me like em
We straight wi like dem (?)

Jah words people listen here
A new millenium come ya
Better prepare
If you fight against the king
Better beware
Selassie pon throne,

What's wrong with the youts today
Some just skill thema prey
And a soon them a fade away
Love ina di heart that's what we need
Don't get mixed up with di greed yeah oh ya

What's wrong with the youts today
Some just skill thema prey
And a soon them a fade away
Love ina di heart that's what we need
Don't get mixed up with di greed yeah oh yay
