As we spin around the mattress
As the guilty walls start chiming in
As I mumble my resistance
I hesitate, then I take you in

Your scent is too familiar
Your fingers nullify my skin
Am I still your creepy sister
When you wash me away
And away we go again

He leads me down to the basement
He waits til no one can hear
He leaves me dirty, wasted

I am Faithless
I am shameless
I am faithless

I don't expect to be forgiven
I don't expect these scars to dissappear
I came to life as you predicted
So you were right
I'm your souvinere

Can I return your little secret?
Can I remember to forget I'm here?
Cut out my tongue and let you keep it
Would it turn you on
Or would it make you feel?

He leaves me broken, breathless
He leaves me his cigarette
He leaves me shattered, shaken

I am Faithless
I am nameless
I am

Twisted, I'm so twisted
Is that human?
Given, I'm so given up

He leaves me!

I am Faithless

I am faceless

I am...

I am shameless

I am nameless

I am faithless
