Brick by brick the night eclipsed
Pricked by cuticle thorns
Dried the sleep on nursery slits
Into this life i'm born
Heaven's just a scab away
I'd like to see you after just one taste
Sink your teeth into the flesh of midnight
Night forever more
Let them see it has begun
The others i've become

No there's no light
In the darkest of your furthest reaches
No there's no light
No there's no time
No you ain't got nothing
Your life was just a lie
