According to May 13th, Live at the Wiltern

He's got fastened black gloves  
Made of clothes splintered charms  
They're the kind that will talk  
through reason of chance

And I hear him  
Every night  
Every pore  
Every time it just makes me want to  
Breathe without an answer  
Free from all the shame

And I'll die  
Cause I'll never  
Never sleep alone

Look at how they flock themselves  
From an aisle of open sores  
He knows that the taste is such  
Such to die for

And I hear him  
Every night  
On every street  
It spills out the slither  
Deliver me far

Breathe without an answer  
Free from all the shame

And I'll die  
Cause I'll never  
Never sleep alone

And I hear him  
Every night  
Every street  
It spills out the slither  
Deliver me far

Breathe without an answer  
Free from all the shame

And I'll hide  
Cause I'll never  
Never Sleep Alone

Breathe without an answer  
Free from all the shame

And I'll die  
Cause I'll never  
Never Sleep Alone
