I had to let you go,  
I had to say goodbye.  
No more excuses,  
No more tears to cry.  
There's been so many changes,  
I was so confused.  
All along you were the one,  
All the time I never knew.

I want you to be happy,  
You're my best friend.  
But it's so hard to let you go now,  
All that could have been.  
I'll always have the memories,  
She'll always have you.  
Fate has a way of changing  
Just what you don't want it to.

Roll away the chains.  
Let love fly away.  
Till love comes again,  
I'll be okay.

Life passes so quickly,  
You got to take the time.  
You'll miss what really matters,  
You'll miss all the signs.  
I spent my life searching  
For what was always there.  
Sometimes it will be too late,  
Sometimes it won't be fair.

Roll away the chains.  
Let love fly away.  
Till love comes again,  
I'll be okay.

I won't give up, I won't give in.  
I can't recreate what just might have been.  
I know that my heart is broken in two.  
Now is the time to begin.

Roll away the chains.  
Let love fly away.  
Till love comes again,  
I'll be okay.

Can't hold on forever baby,  
Can't hold on forever baby, Can't hold on forever baby,  
I'll be okay.
