(bill giant - jeff lewis)

I found a place full of charms
A magic world in my baby's arms
Her soft embrace like satin lace
A wondrous place
Oh what a spot in the storm
To cuddle up and stay nice and warm
Away from harm in my baby's arms
A wondrous place
Man I'm nowhere
When I'm anywhere else
But I don't care
Everything's right when she holds me tight
Her tender hands on my face
And I'm in heaven in her embrace
I want to stay and never go away
A wondrous place
Mmmmmmm
Man I'm nowhere
When I'm anywhere else
But I don't care
Everything's right when she holds me tight
Her tender hands on my face
And I'm in heaven in her embrace
I want to stay and never go away
A wondrous place
Mmmmmmm
