Yeah

Yeah

Girls girls girls  
When I'm walking downtown  
On a summer's day, yeah  
Girls girls girls  
All my troubles seem  
10 thousand miles away

I fall in love from my head to my feet  
When I'm watchin' all those girls walkin' down the street  
The feelin' goes to my head like red wine  
You know I feel fine 'cause all I ever have in mind is

Girls girls girls  
And anytime I turn on my TV  
Girls girls girls  
Are all that I really care to see  
Yeah yeah yeah

You know I don't want to be impolite  
But I need someone to hold beside me tonight  
And make the feeling come on like red wine  
You know I feel fine  
You girls are driving me wild, wild, wild, yeah

And I said wild, wild, wild, yeah  
Oh girls girls girls

Girls girls girls

Yeah I fall in love from my head to my feet  
When I'm watchin' all those girls walkin' down the street  
The feelin' goes to my head like red wine  
You know I feel fine and you girls are driving me wild,  
wild, wild, yeah

And I said wild, wild, wild, yeah  
Wild, wild, wild, yeah  
Driving me wild, wild, wild, yeah  
I said wild, wild, wild, yeah

You're driving me wild
