Taking a patient out of the bathroom into water
That's right, get in the water and touch the electric wires

Hold this... here's some bread!

"Now you tell me how you can live in an apartment, with
the pieces
of a person, rotting away with decay and not know?"
"I was totally sick, to tell the truth"
"Washing bones, why were you washing bones?"
"Cause they were smelly"

[Kool Keith]

Think about it, if you was there standing looking at me
What would you do, if I hit your face with dog doo-doo?
Smear purple flies on your forehead
Spit in your salad, vomit on your brother's breakfast
Take your ass outside, burn your mother's house
Bring pet mice, and scare your sister with my gray
mouse
Then drop him under the bed, and leave him there
dead
Take out your parakeet, with scissors, clip his head
Then get the charcoal, whassup, burn your dog's legs
Walk by the barbershop, and hit the glass with eggs
Then go in the club and dance, mix the alcohol
Great with roach spray, here's a drink, have a ball
Dance to the music, watch it party pooper
Yeah, you know...
I'm destructive (4X)

Bash in your head with ten full cans of Campbell's soup
I'm on the roof, I'm not another pigeon out the chicken
coop
Stole your checks, and flush money down the toilet
bowl
Look at the frog, he's gone too down the commode
War paint on the carpet, your fur was my target
Give the baby some gum, a pack of BubbleYum
Stick it in the rugs, smearing green lightening bugs
all around the walls, down the halls

Checking out doodoo on flame pits, niggaz with they
armpits
down, smellin funky, check out the junkie, spit
I'm destructive!! (4X)

Like a green red blue reindeer, dead lying down with a
fawn
Copulating, having sex
Mating with a baboon with buffalo wings
Hahahahaha

Like Hitler, the German Shephard, coming down from
the Bronx
fighting moose you sound as soft as a goose
We all hang with tickets for Van Halen
Orifice, Autopsy, Def Leppard and Spaz
C'mon, drop the jazz Grateful Dead, rock with it
I'm destructive!!! (3X)
