Whenever idleness is making me insane
Then I feel, I should be getting to train on the double
Here comes trouble

I hit the city and my head is a reelin'
I get the feelin' that it really was worth going after
When we're tastin' disaster

So 'round and 'round and 'round we go
Seventeen lights in a row
Take a hold of my hand and come with me
We'll go rockin' around in NYC

Whenever Ennui is takin' me way down
Then I feel I should be gettin' to town on the double
Here comes trouble

I hit the city and I'm feelin' the thunder
No need to wonder if it really was worth going after
When we're tastin' disaster

So 'round and 'round and 'round we go
Seventeen lights in a row
Take a hold of my hand and come with me
We'll go 'round and 'round in NYC

'Round NYC
NYC

So 'round and 'round and 'round we go
Seventeen lights in a row
Take a hold of my hand and come with me
We'll go rockin' around in NYC

Whenever idleness is making me insane
Then I feel, I should be getting the train on the double
Here comes trouble

I hit the city and my head is reelin'
I get the feelin' that it really was worth going after
When we're tastin' disaster

So 'round and 'round and 'round we go
Seventeen lights in a row
Take a hold of my hand and come with me
We'll go rockin' around in NYC

'Round and 'round and 'round we go
Seventeen lights in a row
Take a hold of my hand and come with me
Let's go rockin' around in NYC

NYC
'Round NYC
NYC
'Round NYC
