Right, no warning
None at all
Just the word, goodbye, written backwards
On the wall, yeah

Now my anger
Is in overdrive
So down the road, I'm bound
'Til I track you down dead or alive

I heard somebody crying
Somebody crying, somebody crying
And the sky turned black and gray
Say, Miss Lady, where are you today?

Call me Daddy
Rolling Stone
As I make my way down the back roads
All alone, yeah

Why did you do it?
I don't care
And I won't end this ride 'til you're by my side
This I swear

I heard somebody crying
Somebody crying, somebody crying
And the sun's dropping out of sight
Say, Miss Lady, where are you tonight?

Listen now my anger
Is in overdrive
So down the road, I'm bound
'Til I track you down dead or alive

I heard somebody crying
Somebody crying, somebody crying
And the sky turned black and gray
Say, Miss Lady, where are you today?

Oh, say, Miss Lady, where are you today?
Oh oh, say, Miss Lady, where are you today?

Yeah, say, Miss Lady, where are you today?
Yeah yeah , yeah yeah yeah, say, Miss Lady, where are
you today?
Oh oh, say, Miss Lady, where are you today?
Oh oh, say, Miss Lady
