(m. crenshaw)

Stop doing that  
Maybe I've missed my chance  
To talk to you as a friend  
But stop doing that  
That's what I'm gonna say  
When you and I meet again  
I thought the rumors were lies  
Until I saw for myself  
Not your better watch out  
Or you're soon gonna find  
That you're on the losing side  
Of the battle line  
Stop doing that  
Don't try to lie to me  
The way you lie to yourself  
Stop doing that  
Don't say that things you do  
Shouldn't matter to anyone else  
Somewhere in my heart  
There will always be a place  
For you and all the moments we shared  
When we both believed

There was a reason to care  
We used to live on the run  
Not so long ago  
And it was all about fun  
Fun and self discovery  
And now you say nothing's changed...  
Better look again  
'cause the way you're living now...  
It looks more like you're dying to me  
You look like walking misery  
Stop doing that  
Why should I keep on telling you?  
You won't stop doing that  
All your wreckless self-indulgence  
Your disregard for the mess you're creating  
Don't tell me, I know it's hard...  
Now I don't know where to find you

But if you were here  
I'd grab you by the collar  
And whisper in your ear  
Stop doing that
