Don't wanna know about the usual thing  
I never bother with the usual thing  
And I only wanna shout, wanna jive, wanna feel alive  
Do whatever I wanna do

Just forget about the usual thing  
I never bother with the usual thing  
And if I didn't think you were a little bit out there too  
I just wouldn't bother with you  
Oh, I just wouldn't bother with you

I wanna take you with me  
I'll do most anything that you want to  
When we go out together  
We must run wild but first I'm warning you

Oh, I never bother with the usual thing  
Don't wanna know about the usual thing  
And I only wanna shout, wanna jive, wanna feel alive  
Do whatever I wanna do

Just forget about the usual thing  
I never bother with the usual thing  
And if I didn't think you were a little bit out there too  
Oh, I just wouldn't bother with you  
I just wouldn't bother with you

I wanna give you somethin'  
I just don't want to lose my energy  
And that's why I keep on trying  
To only be true to what's inside of me

Oh, I never bother with the usual thing  
Don't wanna know about the usual thing  
And I only wanna shout, wanna jive, wanna feel alive  
Do whatever I wanna do

Just forget about the usual thing  
Don't wanna know about the usual thing  
And if I didn't think you were a little bit out there too  
I just wouldn't bother with you  
No, I just wouldn't bother with you

Don't wanna know about the usual thing  
I never bother with the usual thing  
And I only wanna shout, wanna jive, wanna feel alive  
Do whatever I wanna do

Just forget about the usual thing  
I never bother with the usual thing  
And if I didn't think you were a little bit out there too  
I just wouldn't bother with you  
Oh, I just wouldn't bother with you

I said, I just wouldn't bother with you
