Well, you've gotta understand
I want to be your only one
'Til the last star fades, 'til this wide world is through
'Til that moment, I'll belong to you

I'll need you body and soul
Until the blazing sun turns cold
'Til the Orlov diamond refuses to shine
'Til that moment baby, baby you're mine

Well, some people love money
Some people are in love with war, yeah
But I'm in love with your brown eyes
When you are what I'm living for

And I still remember it well
I just saw you standing by a big hotel
Just then the clock on the corner struck five
'Til that moment, I was half alive

Then you smiled at me
Across the crowded avenue
Right away my temperature started to climb
'Til that moment, I was marking time

Yes, it's true I'm drawn to you
Like a moth to a candle flame
But here is something that I've got to know
How come you never call me by my name?

Don't change your mind
And I promise I won't change mine
'Til the last star fades, 'til this wide world is through
'Til that moment, I'll belong to you

Girl, I promise I won't change mine
'Til the last star fades, 'til this wide world is through
'Til that moment I'll belong to you
'Til the stars fall from the blue
'Til that moment, I'll belong to you

'Til this wide world is through

'Til that moment, I'll belong to you

Oh baby, don't change your mind
Baby, don't you change your mind
Yeah, when you gotta hold me darling
Oh, don't you hold me baby
Oh, don't change your mind

Said, you gotta hold me darling
Hold me baby, hold me darling
Hold me, oh, hold me, yeah
But don't change your mind
