

## Marshall Crenshaw "What Do You Dream Of?"

Visit "[What Do You Dream Of?](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Just last night when we were in bed  
This thought came into my head  
I would give anything, girl  
If I could steal a look into your secret world

What do you dream of?  
Oh, what do you dream of?  
I'll never know what really lies  
Behind your sleeping eyes

What do you dream of?  
Oh, what do you dream of?  
Can you leave your worldly cares behind  
Or do they rule your mind?

When I see you smile  
I've got a reason to smile  
Oh, what do you dream of?  
I wonder once in a while

Close your eyes, you know it feels fine  
To let yourself finally unwind  
From fighting hard to stay in the game  
For all your trouble and time  
You're getting more of the same

What do you dream of?  
Oh, what do you dream of?  
When you're in a world that's yours alone  
Another day is gone

What do you dream of?  
Oh, what do you dream of?  
Keepin' your secrets to yourself  
They're meant for no one else

I'll never solve all of your mysteries  
Oh, what do you dream of  
While you're lying next to me?

Wish I could steal a look into your secret world

What do you dream of?  
Oh, what do you dream of?  
I'll never know what really lies  
Behind your sleeping eyes

What do you dream of?  
Oh, what do you dream of?  
When you're in a world that's yours alone  
Another day is gone

I'll never solve all of your mysteries  
Oh, what do you dream of  
While you're lying next to me?

Whenever I see you smile  
I've got a reason to smile  
Oh, what do you dream of?  
I wonder once in a while
