[Chorus]

Now we be swangin in them  
Hoo Doos, the Hoo Doos  
Body bangin in them  
Hoo Doos, the Hoo Doos  
Super stangin in them  
Hoo Doos, the Hoo Doos  
They dont know about them  
Hoo Doos, the Hoo Doos  
5-speedin in them  
Hoo Doos, the Hoo Doos  
Blowin trees in them  
Hoo Doos, the Hoo Doos  
Choppin keys in them  
Hoo Doos, the Hoo Doos  
Sideways in them  
Hoo Doos, the Hoo Doos

[Verse 1]

Now this is to them grain grippin groopies  
I'm swangin these hoopties  
Like I'm paint sniffin pill poppin  
Off group feed, 3 Firestone spare tires  
Round loosely, doin donuts while  
the police on duty, OOH WEE!  
Like I told you before  
Throw a bowl, let 'em know you aint a 3-0-4  
I need a bud change, and I need knew shocks  
I give a FUCK! I'm still bleedin the block!  
Cops done pulled me over, they think I'm so broke  
But boy, if they could know how much dank I smoke  
I'm spittin venom in they khaki  
And them I'ma swingin sideways...  
I king a fool, I'm a nut on the highway!

[Chorus 1.5x]

[Verse 2]

Now I be swangin with them  
Negros and Gringos, fly ass latinos  
Philipinos, island boys and crazy ass Chinos

Singles and couples, my seatbelts never buckled  
Burnin more rubber than a Trojan, I'm holdin!  
My steering wheel tightly  
Lefties and righties  
Jealous wanna fight me  
But I throw these things so nicely  
Precisely, I'm sheisty  
Smashin in a Chrysler  
Paint job primin with no screens on my visor  
But you can still hear my beat  
From way down the street  
Cuz my system keeps bumpin  
I go down with heat  
So what the hell I be thinkin?  
Drivin while I'm drinkin  
Smokin up hoods with my friends  
In the Lincoln!

[Chorus]

[Verse 3]

Well its that dude again  
Drinkin booze again  
He aint trippin, doin donuts  
Bout to lose a rim  
Got hella fools with him  
The whole crews with him  
SPM, Happy P, Ike, Boo and them!  
So be cool with them  
Sip a brew with them  
Fire up some of that zoo loo with them  
Kamakaze on the posse  
Act a fool watch me  
I'ma bend a corner in an old school jalopy

[Chorus 2x]
