(Matthew Morris)

She's like a child that don't know no better
And I've been told that I'm no good to love her
But that don't mean a thing to me
'Cause when she's in my arms
She's all the woman that I need

She nothing like any other lover
Oh, she's just fine with who I am
And she don't see someone else in me
And when she's in my arms
She's all the woman that I need

She believes in make believe
Not makin' love a game
All she wants is my honesty
Right or wrong
She loves me just the same

'Cause she's like a child that don't know no better
And I've been told that I'm no good to love her
But that don't mean a thing to me
'Cause when she's in my arms
She's all the woman that I need
