(Todd Michael Sansom)

I don't clean my house for just anyone  
But all day I've been dancing with this broom  
Don't put my life on hold for just anyone  
But I've been waitin' for your call all afternoon  
I've got a real good system  
I like things going my way  
Girls come and go and I don't miss them  
But I've just gotta say

I don't think I've ever felt this excitement  
Never thought about someone  
Every minute of my day  
I don't know what you're doing,  
But it turns my world  
And I want you to know  
That you're a very special girl

Tellin' all of the boys  
I'm goin' crazy  
It never has been my style  
But then again it's kind of amazing  
How my face has been stuck in this smile  
Baby, don't let me scare, I know it's been a short time  
But you should be aware  
You are just blowing my mind

I don't think I've ever felt this excitement  
Never thought about someone  
Every minute of my day  
I don't know what you're doing,  
But it turns my world  
And I want you to know  
That you're a very special girl

I don't want to rush this  
But I think you need to see  
That I can't stop thinking of you, and how happy you're  
making me

I don't think I've ever felt this excitement

Never thought about someone  
Every minute of my day  
I don't know what you're doing,  
But it turns my world  
And I want you to know  
That you're a very special girl
