Thanks thanks I give you thanks for all you've done
I am so blessed my soul is at rest
Oh lord I give you thanks

Thank you lord for the strength you give
Simply carry on thru life's toils and tests
The worst and best you never left me alone
You'll always ride beside me and hear me when I pray
And since I first began you've been my dearest friend
I give you all my praise

Thanks thanks I give you thanks for all you've done
I am so blessed my soul is at rest
Oh lord I give you thanks

I give you thanks for this moment
And I will continually
For each day I live you're praise to give
I'm blessed abundantly
I can't forget that moment when in my life you made
such change
And since the spirit came I've not been the same
I just wanna give you thanks

Thanks thanks I give you thanks for all you've done
I am so blessed my soul is at rest
Oh lord I give you thanks
