Lord, when there's madness around me
You are the stillness
Lord, when I'm lost and alone
You are the Way
Lord, when emotions deceive me
You are the Spirit
And, Lord when I hunger for answers
You are the Truth

Lord, You are here with me
Every breath that I breathe
My soul is set free
In your presence
You are here with me
Live my Sovereign King
You will always be here with me.

Lord, when I'm darkness and selfish
You are compassionate
Lord, when my anger would hurt and divide
You are the peace
Lord, when my sins overwhelm me
You are salvation
Lord, when forgiveness is too much to ask
You are the Way

Cause, Lord, You are here with me
Every breath that I breathe
My soul is set free
In Your Presence
You are here with me
Live my Sovereign King
You will always be here with me

Lord, you are here with me
Every breath that I breathe
My soul is set free
Oh, You are here with me
Every breath that I breathe
My soul is set free
In Your presence
You are here with me

Live my Sovereign King
You will always be here with me.
