Hey, what ya say
What the hell's wrong with you
No, no fucking way
I can't take no more from you
You just cannot see
What it is that's eating at me
Can't you realise, what it is that has to be

Evil deceiver
Evil deceiver

Devices
Devices (can't you see)
Devices
Devices (can't you see)

Hey, Get out my way
I'm gonna go straight for you
Pain, I'll cause ya pain, and ya will never cross again
You just cannot see
What it is that eating at me
Can't you realise what it is that has to be
Evil deceiver
