You take what you wanna take
You feel what you wanna feel
You see what you wanna see
You get and never give

You take cause you wanna take
You feel cause you wanna feel
You see cause you wanna see
You get and you never give

Feed the need

I take what I wanna take
I feel what I wanna feel
I see what I wanna see
I get cause I never give

I'll take cause I wanna take
I'll feel cause I wanna feel
I'll see cause I wanna see
I'll get cause I never give

Do what you wanna do
Hear what you wanna hear
Say what you wanna mean, mean what you wanna say
