I ain't never been with a woman long enough, for my boots to get old.

We've been together so long now they both need resoled.

If I ever settle down you'd be my kind and it's a good time for me to head on down the line.

Chorus:

Heard it in a love song

Heard it in a love song

Heard it in a love song

Can't be wrong.

I'm the kinda man likes to get away, like to start dreamin about tomorrow today.

Never said that I love you, even though it's so

Where's that duffle bag of mine it's time to go.

Chorus

I'm gona be leavin at the break of dawn. Wish you could come but I don't need no woman taggin along.

So I'll sneak out that door couldn't stand to see you cry.

I'd stay another year if I saw a tear drop in your eye.

Chorus

I never had a damn thing but what I had I had to leave it behind.

You're the hardest thing I ever tried to get off my mind.

Always something greener on the other side of that hill.

I was born a wrangler and a rambler and I guess I
always will

Chorus
