A just the sweet sweet sensi,
Yuh know,
Yeh I, Yeh I,
Nah, Nah, Nah, Nah, Now,

Finally the herbs come around,
The high grade when me a look for,
Me get it by the pound,
yeah,
Sweet sensi a come around,
Me a take a little draw and pass it go round, so,
Finally the herbs come around,
The high grade that man a look for,
Me stock it by the pound,
yeah,
When babylon a come around,
Ask them whe them ago search for,

Ever since the herbs slow down,
Police and rude boy dem inna showdown,
Them a search round the compound,
Yuh kno man a no weed clown,
Find a little piece of land and a plant me home grown,
so,
Tell the youth them nah fi take pill,
To much crack and cocaine a make the world a feel ill,
yuh kno,
Nuff ganja nuff spliff a build,
Only thing whe a make man feel chill,
Whe (what) me say,
Finally the herbs come around,
The high grade when me a look for,
Me get it by the pound,
yeah,
When Collie Bud come around,
A pure ganja man tune,
Just a lick from the sound,
yeah,
Finally the herbs come around,
The high grade what man a look for
Me stock it by the pound yeah,
When babylon a come around,

Ask them whe dem ago search for?

There's nothing like the sweet sweet sensi,
The first time me take a draw was in elementary,
Reach high school an get the herb it plenty,
Like Scare Dem dub for Soul Jah One or Lenky yeah,
Me stash box never empty,
The fifty dollar bag we call that half century,
Me start me own herb documentary,
Bermyn man a call that film 4:20,
yeah
Whe me say,
Finally the herbs come around,
The high grade whe me a look for,
Me get it by the pound,
yeah,
Sweet sensi a come around,
Me a take a little draw and pass it go round, so,
Finally the herbs come around,
The high grade that man a look for,
Me stock it by the pound, yeah,
When babylon a come around,
Ask them whe dem ago search for?

Nah, Nah, Nah, Nah, Now,
Yeh I, Yeh I,
Nah, Nah, Now,
yo,

When dem ago realize,
Good works man a advertize,
When dem a go legalize,
The farmer man a beg a little bligh,
When den ago realize,
Government them a terrorize,
Corporation dem a capitalize,
While the farmer man nuh beg a little bligh,

Finally the herbs come around,
The high grade when me a look for,
Me get it by the pound,
yeah,
When Collie Bud come around,
A pure ganja man tune,
Just a lick from the sound,
yeah,
Finally the herbs come around,
The high grade what man a look for
Me stock it by the pound yeah,
When babylon a come around,
Ask them whe dem ago search for,

Yeah I
