I smoke the best weed
I carefully pick out the stems and seeds, seeds
The doctor's orders keep my eyes a bleed
And every night a different gal I breed, breed
I never smoke alone
So Mister Weed Man please pick up your phone, phone
I need some herb to get in tha zone
And my girl Cassandra needs a quarter pound, pound
It's just the video lights
Listen up woman keep them sitting tight, tight
If you wan come back to my place
I'll f*ck you right
Anytime you want the ride
Girl just call me
Day or night
Night

It's just a medicine
Little bit of weed
Mixed with the good liquor
Triggers my adrenaline
Little bit of weed
Never killed no one Mister Law
So don't be mad at me, me, me
Legal or not that shit don't matter me, me, me

'Cause day and night
The lonely stoner
Seems to free his mind at night
He's all alone through the day and night
The lonely loner seems to free his mind at night
Ah ah at night
Day and night
The lonely stoner seems to free his mind at night
He's all alone
Some things will never change
The lonely loner seems to free his mind at night
Ah ah at night

Hold the phone
The lonely stoner Mister Solo Do Lo

He's on the move can't seem to shake this shade
Within his dream he sees the life he made, made
The pain is deep
A silent sleeper you won't hear a peep, peep
The girl he wants don't seem to want him too
It seems the feelings that she had are through, through

'Cause day and night
The lonely stoner seems to free his mind at night
He's all alone through the day and night
The lonely loner seems to free his mind at night
Ah ah at night
Day and night
The lonely stoner seems to free his mind at night
He's all alone
Some things will never change
The lonely loner seems to free his mind at night
Ah ah at night

Slow mo
When the tempo slows up and creates that new, new
He seems alive though he is feeling blue
The sun is shining man
He's super cool, cool
The lonely nights
They fade away
He slips into his white Nikes
He smokes a clip then he's on the way
To free his mind in search of
To free his mind in search of
To free his mind in search of

Day and night
The lonely stoner seems to free his mind at night
He's all alone through the day and night
The lonely loner seems to free his mind at night
Ah ah at night
Day and night
The lonely stoner seems to free his mind at night
He's all alone
Some things will never change
The lonely loner seems to free his mind at night
Ah ah at night
