I feel so good, I don't know what's come over me
Coulda be the light spots ana di party
Coulda be the liquor could it be that you're next to me
I feel so good, I don't know what's come over me
Coulda be the party, coulda be â€¦ smoking
Coulda be you're next to me

There's something ina di air
Nobody no careâ€¦
And everybody ere
And free liquor at the barâ€¦
Pon everybody feels, nobody sad
â€¦because

I feel so good, I don't know what's come over me
Coulda be the light spots ana di party
Coulda be the liquor could it be that you're next to me
I feel so good, I don't know what's come over me
Coulda be the party, coulda be â€¦ smoking
Coulda be you're next to me

And di djâ€¦everybody dancingâ€¦
And the â€¦ everybody shareâ€¦ up
I feel gal and â€¦di dance
â€¦ with a manâ€¦ like an avalanche

I feel so good, I don't know what's come over me
Coulda be the light spots ana di party
Coulda be the liquor could it be that you're next to me
I feel so good, I don't know what's come over me
Coulda be the party, coulda be â€¦ smoking
Coulda be you're next to me

There's something ina di air
Nobody no careâ€¦
And everybody ere
And free liquor at the barâ€¦
Pon everybody feels, nobody sad
â€¦because

I feel so good, I don't know what's come over me

Coulda be the light spots ana di party
Coulda be the liquor could it be that you're next to me
I feel so good, I don't know what's come over me
Coulda be the party, coulda be â€¦ smoking
Coulda be you're next to me X2
