Nawlage:

so we can set it off, and get it on
cuz mami i'm tryin to get at u
keep on dancing, i'm rockin wit dj lyrical
oh man, ur body movement is criminal
yes indeed, category of queen
bringin glory it seems, worth more than green
and u gotta ask me questions
ur fragrance already got me askin questions
is that ur man, can we go dance,
and by chance would u accept some romance, no sex
but on these special moments, we could jam all night,
or i'll adjust in slow dance

(dime si puedo bailar contigo)

mirando, pensando, so tu y yo vamos a bailar
caminar si tu quiere, no miro a mujeres,
si mami tu eres, la que nawlage quiere,
contigo no me falta nada, y no estoy aqui pa quitar tu
falda,
yo soy un hombre, si yo soy bueno,
tu corazon no lo rompo pero,
tu me hace falta, sin tu sonrisa por la manana,
caso no haga, los que no malgan,
ahora baila, mamacita

Chorus:

gal whine let me come behind you (eh)
me make she feel alright
coulda dance all night if you want to (eh)
till a mornin light
love how you feel in front a me so gal
let me hold you tight (repeat 3x)
