Ring the alarm  
I been through this too long  
But I'll be damned if I see another chick on your arm  
Won't you ring the alarm  
I been through this too long  
But I'll be damned if I see another chick on your arm

She gon' be rockin' chinchilla coats  
If I let you go  
Get in the house off the coast  
If I let you go  
She gon' take everything I own  
If I let you go  
I can't let you go, damn if I let you go

She gon' rock them VVS stones  
If I let you go  
Get in the 'Bach or the Rolls  
If I let you go  
She gon' profit everything I taught  
If I let you go  
I can't let you go, damn if I let you go

Tell me how should I feel  
When I know what I know  
And my female intuition tellin me you a dog  
People told me 'bout the flames  
I couldn't see through the smoke  
When I need answers, accusations  
What you mean you gon choke  
Oh

You can't stay, you gotta go  
Ain't no other chick spendin' your dough  
This is taking a toll, the way the story unfolds  
Not the picture perfect movie everyone would've saw

She gon' be rockin' chinchilla coats  
If I let you go  
Get in the house off the coast  
If I let you go

She gon' take everything I own  
If I let you go  
I can't let you go, damn if I let you go

She gon' rock them VVS stones  
If I let you go  
Get in the 'Bach or the Rolls  
If I let you go  
She gon' profit everything I taught  
If I let you go  
I can't let you go, damn if I let you go

Ring the alarm  
I been through this too long  
But I'll be damned if I see another chick on your arm  
Won't you ring the alarm  
I been through this too long  
But I'll be damned if I see another chick on your arm

Tell me how should I feel  
When you made me belong  
And the thought of you just touchin' her  
Is what I hate most  
I don't want you, but I want it  
And I can't let it go  
To know you give it to her like you gave it to me, come  
on  
Ooh

He's so arrogant and bold (Oh)  
But she gon' love that shit, I know  
I done put in a call, time to ring the alarm  
'Cause you ain't never seen a fire like the one I'ma  
cause...

She gon' be rockin' chinchilla coats  
If I let you go  
Get in the house off the coast  
If I let you go  
She gon' take everything I own  
If I let you go  
I can't let you go, damn if I let you go

She gon' rock them VVS stones  
If I let you go  
Get in the 'Bach or the Rolls  
If I let you go  
She gon' profit everything I taught  
If I let you go  
I can't let you go, damn if I let you go

Ooh  
How can you look at me  
And not see all the things  
That I kept only just for you  
Ooh  
Why would you risk it babe  
Is that the price that I pay  
Ooh  
But this is my show, and I won't let you go  
All it's been paid for, and it's mine  
How could you look at me  
And not see all the things

She gon' be rockin' chinchilla coats  
If I let you go  
Get in the house off the coast  
If I let you go  
She gon' take everything I own  
If I let you go  
I can't let you go, damn if I let you go

She gon' rock them VVS stones  
If I let you go  
Get in the 'Bach or the Rolls  
If I let you go  
She gon' profit everything I taught  
If I let you go  
I can't let you go, damn if I let you go
