Whap, gyal what yuh doing tonight
Memories of u on mi bedside
'Member the times, make yuh feel alright
Well tings once come again, they come collide

So gyal whatcha doin' all alone tonight
Yuh could b right here by mi bedside
Relax and cool while mi dim the lights
And make yuh feel alright

Mi luv yo shake gyal
The way u move yur curves
Got mi weak under yur spell
And yo no fake gyal
Say whatever dip on yur mind if yuh feel compelled
Plus da vibes u create gyal
And that's sumtin no liquor no drug could ever
duplicate
Mi opened up da cage gyal
So come past through 4 one time sake well

No-no-now

Well baby gyal whatcha doin' tonight
Memories of u on mi bedside
'Member the times, make yuh feel alright
Well tings once come again, they come collide

So gyal whatcha doin' all alone tonight
Yuh could b right here by mi bedside
Relax and cool while mi dim the lights
And make yuh feel alright yeah

No-no-now

Let's take it slow gyal
(?) gyal yuh gone
Yes I know gyal
It seems kinda different
Still we got
It's been so long

So just go with da flow gyal
Yuh know (?)
You call mi pon da phone gyal
And tell mi say ur all alone
So let mi tell you

Whap, gyal whatcha doin' tonight
Memories of u on mi bedside
'Member the times, make yuh feel alright
Well tings once come again, they come collide

So gyal whatcha doin' all alone tonight
Yuh could b right here by mi bedside
Relax and cool while mi dim the lights
And make yuh feel alright
