Lord, everyday, everyday
Everyday, everyday I sing the blues
Goin' to find me a preacher man
Lord, I've gotta find one

Lord, I went to see my mama
Down at the City Hall
Said she loved me [Incomprehensible]
She said, "Everyday, everyday"
I said, "Everyday and Lord
Everyday I sing the blues"

Lord, everyday, everyday
Everyday, Lord, everyday
I'mma find me a preacher man
Lord, I've gotta find one

Lord, everyday, everyday
Everyday, Lord, everyday I sing
Goin' to find me a preacher man

Lord, everyday, everyday
Everyday, everyday, Lord
I said, everyday, Lord, everyday

I said, Lord, everyday
I said, Lord, everyday
I said, Lord, everyday

I said, Lord, everyday
I'll have to sing those no good
Low down, dirty rotten stinkin' blues
