This ole beer gut I got don't get no smaller  
If I thought it'd do any good I'd go ahead and call  
her  
I've been drinkin' up my pain since she's been  
gone  
For every fool there's a good boss too  
And the same ole sad, sad song

(Chorus)

That beer would go a lot farther with a good ole  
hurtin' song  
Drink a few with a song or two, It never takes me long  
As long as I got money I'll stay where I belong  
Yeah, that beer would go a lot farther with a good ole  
hurtin' song

My friends keep tellin' me boy you oughtta quit it  
They ain't the ones that have to drink to forget it  
Forgettin' don't come easy when you're sober and  
all alone  
So I pop my tops and play the jukebox and the pain is  
gone

(Chorus)

That beer would go a lot farther with a good ole  
hurtin' song  
Drink a few with a song or two, It never takes me long  
As long as I got money I'll stay where I belong  
Yeah, that beer would go a lot farther with a good ole  
hurtin' song

As long as I got money I'll stay where I belong  
Yeah, that beer would go a lot farther with a good ole  
hurtin' song
