Verse 1:

Midnight promises all sound the same;
Say "I love you" so you'll play the game.
Midnight promises, they're usually lies,
Think it over you'll never ask yourself why;

Verse 2:

That feeling you get inside I know it's strong,
That feelings normal and there ain't nothin' wrong;
Give it time,
There's no use to take a chance;
Don't you go and fall in love after the first dance;

Chorus:

Midnight promises don't mean a thing,
Especially in the early morning light,
Midnight promises won't make the church bells ring;
Midnight promises don't mean a thing...

Verse 3:

Midnight promises are all the same;
Same old message with a different name;
Listen to your heart
The truth will make it sing
'Cause midnight promises don't mean a thing,

Chorus (x2):

Midnight promises don't mean a thing,
Especially in the early morning light,
Midnight promises won't make the church bells ring;
Midnight promises don't mean a thing...

Midnight promises don't mean a thing,
Especially in the early morning light,
Midnight promises won't make the church bells ring;
Midnight promises don't mean a thing...
