Well my idea of a good time  
Is walkin' my property line  
And knowin' the mud on my boots is mine

Watchin' them leaves  
Turnin' from green to gold  
There ain't no way in this world  
That can make a man feel old

That's when I get lovin' on my mind  
I get lovin' on my mind  
And if someone wants to know  
Why I'm a-hurryin' all the time  
You just tell 'em I got lovin'  
Oh, sweet lovin'  
Tell 'em I got lovin' on my mind

Well there's two things I think are pretty  
One's a black Arabian mare  
And the other one is a woman  
Who you can't stand to stare at

Ah, when that happens  
I get weak at both knees  
If I'm out a-choppin' wood  
I leave the ax in the tree  
'cause I get lovin' on my mind  
I get lovin' on my mind

And if someone wants to know  
Why I'm a-hurryin' all the time  
You just tell 'em I got lovin'  
Oh sweet lovin'  
Tell 'em I got lovin' on my mind

Just tell 'em I got lovin'  
Oh sweet lovin'  
Tell 'em I got lovin' on my mind  
My idea of a good time  
Is walkin' my property line
