Let's Get Together  
Uh Uh Uh UH  
Let's Get Together  
Together  
Together

I'M feeling kinda good  
And it's a whole new mood  
Wake Up!  
And get your clothes on  
Let's get the roll on  
Let's make love a universal feeling  
Together in the party ma  
It's yet a better reason  
Hey what's up!  
We got a thing going  
Nacemos para estar juntos  
You know it! we got a date?  
Hell yeah it's going down  
Let's al get together...

You wanna get down  
I gotta get, Down  
You wanna get down  
I gotta get Down  
Together  
We wanna get down  
We gotta get  
We gotta get down  
I gotta get Down  
Together  
We wanna get down  
We gotta get  
Together

Uh D-Mol...  
Marta SÃınchez...  
Let's go, let's go

DJ you break it  
You break it down

Get up it's on tonight  
Get up it's on tonight  
I wanna spark  
Your feet  
Till hell is breaking down  
Breaking down

I feel the love in the air  
So come on and come in  
There's no other place  
I will be right now

Let's Get Together  
Uh Uh Uh Uh  
Turn up the sound

You wanna get down  
I gotta get, Down  
You wanna get down  
I gotta get Down  
Together  
We wanna get down  
We gotta get  
We gotta get down  
I gotta get Down  
Together  
We wanna get down  
We gotta get  
We gotta get  
Let's get crazy

You gotta get with the groove  
Yeah Yeah Yeah  
Get Up Off your seat  
You Better get-get loud  
Get-get loud  
I feel the love in the air  
the dancefloor is waiting  
Let go off the shame  
Spread your wings and fly  
Let's Get Together  
Uh Uh Uh Uh  
Turn up the sound

You wanna get down  
I gotta get, Down  
You wanna get down  
I gotta get Down  
Together  
We wanna get down  
We gotta get

We gotta get down  
I gotta get Down  
Together  
We wanna get down  
We gotta get  
We gotta get down

Born to be together  
Let's do it now or never  
We wanna get down  
Born to be together  
Let's do it now or never  
You gotta get down

And i believe  
In us all together  
We can make  
This night last forever  
Just feel the music  
And you're down, Uh Uh  
Feel the music  
And you're down

I feel the love in the air  
So come on and come in  
There's no other place  
I will be right now

Let's Get Together  
Uh Uh Uh Uh  
Turn up the sound

You wanna get down  
I gotta get Down  
Together  
We wanna get down  
We gotta get  
We gotta get down  
I gotta get Down  
Together  
We wanna get down  
We gotta get  
We gotta get down  
Born to be together  
Let's do it now or never  
We wanna get down  
Born to be together  
Let's do it now or never  
You gotta get  
Together
